Manufacturing:

woven

microfibre mop premium with flaps

Use:

moist-/wet wipe for universal and routine cleaning

Art.-Nr. 00954 size: 40cm p.unit: 50

Art.-Nr. 00955 size: 50cm p.unit: 50

Properties:

Quality microfibre cleaning mop with very high white microfibre quality (long pile) and blue soft bristles for some stubborn dirt. The blue cross bristles increase the mechanical scouring effect. In spite of the cross bristles has this cleaning mop an excellent lubricity. Particularly suitable for structured wooden floor, PVC and smooth stoneware.

Fastening type:

pockets with water outlet and flaps

Manufacturing:

woven
